

P30

License Free PoC radio

A Modern Radio for All

Meet Hytera's P30. A push-to-talk over cellular (PoC) radio that provides instant group calling over 2G/3G/4G networks, with zero need for licenses or radio frequencies.

Simply Insert and Go

Say goodbye to exhausting programming, insert your SIM card and create talk groups within seconds—the P30 is all about being your out-of-the-box radio.

Next-Gen App-Based Control

Seamless set up with the Hytera Radio Manager app*. The P30 is ultra user-friendly, ready to go with just your smartphone.

*Download on Google Play or App Store.

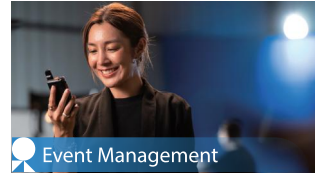

-  Clear and loud audio
-  Multiple standby groups
-  Low latency communications
-  Unlimited coverage for distances > 10,000 km
